City: \_\_\_\_\_ Texas, Zip: \_\_\_\_\_

Your phone number: Home: \_\_\_\_\_ Cell (W): \_\_\_\_\_  
Office: \_\_\_\_\_ Cell (H): \_\_\_\_\_

Hours and how you prefer us to contact you: \_\_\_\_\_

Your email address: \_\_\_\_\_

## Objectives & Goals:

1. Please describe with dimensions, size and texture your main objectives and goals you want to accomplish with your landscape project: *Please describe your expectations for this project. Consider various components that may be a fit to your lifestyle such as outdoor living areas, fire pits, outdoor cooking, benches, walkways, flagstone walks or patios, pavers, driveways or patios, entrance treatments, poolside effects, pool decks, waterscapes, fountains, water fall, rocks, boulders, retaining walls, re-contouring elevation on yard, drainage resolution, down spout drain system, lawn sod, new trees, shrubs, perennials, irrigation modifications, outdoor lighting, wood fences, Waterwise and drought resistant plants, favorite plant bloom color, low maintenance, sod, rain harvesting, green roofing, culinary (herbs) plants, bird & butterfly attraction, and other goals you have in mind for your landscape ...*
  
2. What are your primary problems, concerns, issues that need to be resolved with your landscape? *{attach any available digital photos to define the area}*
  
3. Do you have any budget expectations or deadlines to complete your project?

“On time, on budget and done right the first time”

## **Preferences:**

4. Do you have a color scheme you would like us to adhere to? If so, what are your favorite colors?
5. Are there particular colors we should avoid recommending?
6. Do you have favorite native plants that you would like us to incorporate? Please list.
7. Please tell us if you wish to avoid certain plants, types or colors.
8. Other preferences, questions and requests?

## **Site Analysis:**

9. Which direction does the front of the house (address side) face?
10. Describe if you have large trees in your yard or if there are certain areas that are full sun or shade?
11. Soil conditions – dry, well-draining, moist or boggy? Please describe. Is your property prone to flooding, washing or drainage issues?

12. Describe Elevation of your property and direction of slopes with “estimated” drop-off in feet from each side for landscape project; i.e., mostly level, slightly sloping steep slope, or mostly sloping?
  
13. Do you have privacy issues or any other conditions we should be aware of that might affect your design?
  
14. Appealing Gardens provides all construction/installation services “in house”? Will you need these services or do you prefer to do some or all the work yourself?
  
15. Do you have children or family members living at home that will be around the landscape project? Are there any security access issues we need to be aware of?
  
16. Do you have outdoor pets that will be on your landscape project area? What type (e.g. dog or cat, etc.?)
  
17. Do you have an in-ground irrigation system? Will you need head location adjustments and/or new coverage for the landscape project?

Note: We will also need a copy of your **survey plat** that defines your property lines with the outline of your house plus fences and walls.

**Thank you for choosing Appealing Gardens Landscape for your landscape needs.**
